**RAINFALL HALTS CEREMONY AT THE SACRED HEART**

Although the ceremony of the blessing of the statue of the Sacred Heart at the Academy of the Sacred Hearts, Kaimuki, was postponed yesterday afternoon on account of the rain, the remainder of the program was carried out in the academy before a large audience.

The Catholic Mission band opened the services with an overture, following which a few remarks explaining the purpose of the gathering were made by Rev. Chaplain Father Venturi. He also gave a brief history of the academy since its opening three years ago by the Sisters of the Sacred Heart, and of the securing of the beautiful statue "Sacred Heart of Jesus." The address of the day was made by Brother Louis, of St. Louis College, and it was following this address that the blessing of the statue and the raising of the flag was to have taken place, but on account of the rain it was postponed until another time.

Throughout the city attended the services various church organizations, and a body among them being the Catholic Boy Scouts and the sodalities of the Blessed Virgin.

**CERTAINLY ENDS STOMACH MISERY**

"Pape's Diapiesin" Relieves Your Indigestion in Five Minutes

Sour, gassy, upset stomach, indigestion, heartburn, dyspepsia; when the food you eat ferments into gases and stubborn lumps; your head aches and you feel sick and miserable, that's when you realize the magic in Pape's Diapiesin. It makes such misery vanish in five minutes.

If your stomach is in a continuous revolt—if you can't get it regulated, please, for your sake, try Diapiesin. It's so needless to have a bad stomach—make your next meal its favorite food meal, then take a little Diapiesin. There will not be any distress—eat without fear. It's because Pape's Diapiesin "really does" regulate weak, out-of-order stomachs that gives it its millions of sales annually.

Get a large fifty-cent case of Pape's Diapiesin from any drug store. It is the quickest, surest stomach relief and cure known. It acts almost like magic—it is a scientific, harmless and pleasant preparation which truly belongs in every home.

**HAWAII'S FILMS SUIT EVERYBODY**

Ring the bell's eye is the popular pastime at the Hawaii, for every film they show makes a center hit. In making a selection of films Manager Noyes does not confine himself to one class, but is of the opinion that different people are apt to enjoy different phases of life as depicted on the screen and consequently he makes a selection that is well balanced with comedy, mystery and novelty.

If there is one point more than another in favor of the Hawaii it is the steadiness of the films as they are thrown on the screen, and this is one of the features that is filling the cozy Hawaii every evening of the week.

The films that are on at the Hawaii this week are better than ever, if that is possible. You don't have to read over the program of the films to see if they will please you. They are all good—every night, every week, every change.

**FOURTH CIRCUIT COURT REVERSED IN LAND CASE**

The supreme court has set aside the judgment of the fourth circuit court stipulating the compensation to be received by Mr. Anne Rickard for land taken for the Hilo railway right-of-way. The landowner appealed because the compensation was not considered sufficient, taking for the basis of appeal the fact that the written submission of the contending parties to leave the valuation to a board of three arbitrators, was not entered as a rule of court at the time the submission was made to the court. It was made a rule of the court after the arbitration board had rendered its conclusions, which proved not satisfactory to Mrs. Rickard. The appeal is sustained the judgment set aside.
